Jeaneanne would like to share the options paper by early next week. Are folks OK with the additions Rosemary shared yesterday, and are there any other comments? To the extent possible, let's try to have the paper completed by COB Monday. Thanks, Tom

Hi, all – We're preparing to give Jeaneanne an assumption update, and I made suggested edits in the paper to insert one idea. I'll be clear that this is our addition, and did not come from the OGC paper previously shared.
